## APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and

conditions: This permit is issued subject to all prior rights on the source. It is understood that the one cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One (1.0) cubic feet per second.

Actual construction work shall begin on or before May 17, 1940

Proof of commencement of work shall be filed before June 17, 1940

Work must be prosecuted with reasonable diligence and be completed on or before May 17, 1942

Proof of completion of work shall be filed before June 17, 1942

Application of water to beneficial use shall be made on or before

May 17, 1943

Proof of the application of water to beneficial

use must be filed with State Engineer on or before June 17, 1943

Filed JUL 20 1939

Proof of commencement of work filed JUN 24 1940

WITNESS MY HAND AND SEAL this 20th day

of November, 1939

Withdrawn by applicant
